Description

Pickering is a thriving market town found at the foot of the North York Moors National Park, along the A170 Thirsk to Scarborough Road. As a result there are excellent links to the East Coast and City of York where the Intercity Service runs from London to Edinburgh. Pickering has a good range of shops, a Monday street market, well respected schools for all ages and amenities that include Doctors surgery, Dentist and library. There are also a wealth of recreational activities close to hand, such as Dalby Forest, The North York Moors Steam Train and Pickering Castle.

Firthland Road lies on the south western side of the town, an established residential area of mixed properties popular with young families and retired persons alike.

With an attractive garden in front, this semi detached bungalow provides good size living accommodation with gas central heating and uPVC double glazing. From the main entrance hall, doors lead off to a sitting room, kitchen, two double bedrooms and shower room. The kitchen is dated and would benefit from refurbishment.

There is a south facing rear garden contained neatly with fenced boundaries with lawn, patio and planted borders.

A single garage lies to the side of the bungalow with parking in front.

The property is presently unoccupied and is offered for sale with no onward chain.
