

**Colesdale
Cuffley**

**£585,000
Freehold**

Set on a generous plot with a substantial side garden, this extended three-bedroom semi-detached home enjoys a highly desirable position and offers exceptional scope for further enlargement, subject to planning permission. The property benefits from private driveway parking, a detached garage to the rear, and a convenient ground floor WC.

A side extension provides a second reception room and a useful utility area, complementing the through lounge/dining room and modern fitted kitchen, creating versatile and well-balanced ground floor accommodation. Upstairs, there are three well-proportioned bedrooms served by a family bathroom.

The particular highlight of the home is the extensive side garden, resulting in a larger-than-average plot and presenting excellent potential for further extension, subject to the necessary consents.

Ideally positioned within a short walk of Cuffley School, village shops, and the mainline station with direct services to Moorgate, the property also enjoys close proximity to George V Playing Fields and surrounding countryside walks, making it an excellent choice for families and commuters alike.
