PROPERTY DETAILS

If you are looking for a truly unique house, then check out 'The Pink Palace'. Entering the front door, with the vestibule-stained glass, you are reminded that this is a Victorian house. Stepping into the hall, the staircase beckons.

On your left, you'll find what is currently the dining room, bathed in afternoon sun, through large sash windows looking out to Alexandra park. You will find a wood burner for the chillier evenings, and wooden floors. Adjoining this is a discrete evening/entertaining dining space, which looks out to the lower back garden. This leads to the conservatory, with double doors opening to the lower garden. A WC is under the stairs, just before the large utility room at the back of the house; offering a butler sink, plumbing for washing machine, & dishwasher. From here, you have access to the lower back garden, where there is a woodshed and stone stairs leading to the first level terrace. Mature trees and plants help you find your way.

Heading up the stairs to the first floor, on your right is the huge family bathroom with a bridge allowing access to the second garden level. At the front of the house, is the majestic sun-drenched living room looking west over Alexandra park, with log fire and, four large sash windows, with a double bedroom, over looking the rear garden. To the third is the retro kitchen/ breakfast room with a shower room leading off it. Then, you will find a fantastic double bedroom, and a staircase which leads to the loft den; with 3 skylights for a roomy sleep under the stars.

This house is a delight in every way. A perfect house for holding dinner parties, large gatherings, for either family or friends.

The garden to the front boasts a rose bush, black sambuca and lavender, whilst the back garden is on three levels or even four for the brave. Here, you can sit, and look out over the houses roof tops.
