PROPERTY DETAILS

This elegant Victorian three-storey residence is located in a highly sought-after area of St. Leonards-on-Sea, celebrated for its proximity to an eclectic range of independent shops, popular restaurants/café's, the seafront, and a mainline railway station with links to London. Beautifully presented and retaining many original period features, this home offers a rare combination of timeless character and modern comfort, including high ceilings, original fireplaces, detailed cornicing, and exposed floorboards.

The ground floor opens with a welcoming entrance hall, leading to a spacious front-facing living room, featuring a large bay window and a marble fireplace with a wood-burning stove. Adjacent to this room is a versatile second reception room, currently used as a study, also featuring a wood-burning stove. Spanning the rear of the property, the open-plan kitchen and dining area provides a lovely outlook over the garden and is designed as a central family hub, with ample space for a dining table, a central island, and contemporary fitted units suitable for a range-style oven. This area also includes double doors opening into the conservatory, as well as a practical boot room with a utility cupboard and a downstairs shower room with WC.

On the first floor, four generously sized double bedrooms provide versatile living options, complemented by a substantial family bathroom with a freestanding bath. The top floor hosts two additional double bedrooms, a recently installed family bathroom with a shower unit and freestanding bath giving a contemporary feel, and a guest room.

The exterior of the property features a secluded garden with a paved seating area, a level lawn with fruit trees, and a decked area for outdoor relaxation. The front of the home includes a driveway with off-road parking for three vehicles, providing a highly desirable mix of convenience and privacy.
