## PROPERTY DETAILS

Positioned in the heart of the historic Old Town of Hastings, Cobourg Place is a beautifully presented, deceptively spacious three/four-bedroom, 1930s bay-fronted family home. Just a short walk from Hastings' beaches and promenade, this home offers exceptional living in one of the town's most sought-after locations.

Hastings Old Town boasts a vibrant selection of independent shops, cafés, and restaurants, all within close proximity. The property is also near Hastings Country Park, the Hastings Contemporary Museum, and the famous caves and enjoys stunning views over the East Hill, with St. Clement's Parish Church located on its doorstep.

The property has been lovingly cared for by the current owners and offers a spacious entrance hallway leading to a bay-fronted living room. The impressive kitchen/breakfast room, with bi-fold doors, floods the space with south-facing light, and a convenient utility room leads to the rear garden, completing the ground floor accommodation.

On the first floor, you'll find a family bathroom with an additional shower, two generously sized double bedrooms, and a smaller third bedroom. A further staircase leads to a spacious loft room, featuring a Velux window that provides breathtaking views towards the English Channel and the East Hill funicular.

Externally, the property benefits from a small, enclosed rear garden and a useful pathway leading to an under-house cellar measuring in excess of three square metres, providing additional storage or a workshop area.

Further benefits of this superb property include gas-fired central heating and UPVC double glazing. To arrange a viewing of this rarely available home, please contact the vendor's choice of sole agents, Just Property.
