Just Property is delighted to present this beautifully refurbished three-bedroom, two-bathroom apartment, occupying the top two floors of a charming period seafront building. Redesigned for modern living, it offers a thoughtful layout that maximises space, light, and comfort, blending contemporary style with period character.

The open-plan kitchen, lounge and dining area enjoys uninterrupted sea views, creating a bright, sociable space ideal for entertaining or relaxing. Exposed brick feature walls, genuine Amtico oak flooring and dimmable LED lighting add warmth and sophistication. The newly fitted kitchen is finished to a high standard, with a central oak-topped island, integrated appliances and elegant Italian marble-effect worktops.

There are three double bedrooms and eaves storage provides additional practicality and helps maintain a clean, uncluttered aesthetic. Two stylish bathrooms include a luxurious suite with a roll-top, claw-foot bath and vintage-style tiles, and a contemporary shower room with striking black and white marble mosaic tiling.

Refurbished to full building control specification, the property benefits from a full electrical rewire, a new Worcester high-efficiency boiler with Hive smart controls, heritage-style radiators, smart meters and extensive insulation. New Victorian-style sash windows, a bespoke staircase and energy-efficient lighting further enhance comfort and quality.

From the living area, enjoy panoramic sea views to the front and peaceful leafy aspects to the rear. Ideally located close to shops, caf  s and amenities, and just a stone's throw from the beach, this exceptional apartment perfectly combines period charm, modern luxury and relaxed seaside living.

Early viewing is highly advised through sole agents, Just Property.
