**\*\*With the option of purchasing the adjoining cottage\*\***

This charming cottage in Aberaeron is a rare find, combining stunning views, spacious gardens, and modern efficiency. One of the standout features of this pretty 3 bed cottage are its stunning sea views overlooking the Georgian town of Aberaeron. The large gardens are a true highlight, complete with a pretty stream and delightful waterfalls, creating a serene outdoor environment that is perfect for enjoying the fresh air or hosting summer gatherings. This property is not only beautiful but also highly efficient, boasting an impressive A-rated Energy Performance Certificate (EPC) from newly installed air source heating and solar panels. Additionally, there is an option to purchase the adjoining cottage, providing a unique opportunity for those looking to expand their living space or invest in a property with potential for rental income.

## Location

The property is attractively located just off Goitre Road which is a No-Through road on the edge of Aberaeron, surrounded by other similar properties and overlooking Aberaeron comprehensive school. There is a footpath linking the town to miles of attractive country walks which runs through the front garden of this property.

Aberaeron is a popular destination town renowned for its colourful houses and pretty harbour housing a number of popular bars, shops, restaurants etc. Aberaeron is located along the Ceredigion Heritage Coastline and is also convenient to the popular seaside villages of New Quay, Llangrannog and Aberporth, with the larger towns of Aberystwyth to the north and Cardigan to the south also being convenient.

## Description

One of a pair of similar cottages currently under the same ownership, with this property becoming available having been fully refurbished following a long term tenancy. There could be the opportunity of purchasing the adjoining cottage and gardens also. Please enquire with the selling agents.

A feature of this property is its efficiency with an A rating EPC of 92, benefitting from a newly installed 5 kW air-source heat pump which runs off a 3.5 kW solar panel system. The property also benefits from double glazing and a current
