## **The Forge Neuaddlwyd, Ciliau Aeron, Near Aberaeron, Ceredigion, SA48 8DQ**

**Guide Price £300,000**

An Iconic Aeron Valley Smallholding only 1 mile from Aberaeron - a unique renovation opportunity!

Delightfully positioned approximately 1 mile from Aberaeron, being originally part of the historic Llanerchaeron Estate. A Grade II listed 2 bedroom cottage ripe for renovation and refurbishment, together with a stone and slate barn believed to be the original forge, with detached workshop, off road parking and rear gardens, orchard and paddock, in all approximately 3.27 acres.

## Location

Delightfully located approximately 1 mile from Aberaeron, within walking distance of the town via an attractive cycle path and also close to the Llanerchaeron house and visitor centre. Beautifully nestled in the low reaches of the Aeron Valley, enjoying fine views over the wooded valley beyond, yet being convenient to the destination town of Aberaeron, renowned for its popular bars, restaurants, hotels and colourful houses surrounding the picturesque harbour. The property is also convenient to the larger town of Aberystwyth to the north and Cardigan to the south.

## The Cottage

Which has been sadly vacant for a number of years, is now ripe for renovation and provides a unique opportunity to develop a Grade II listed cottage with the further potential of conversion of an adjacent outbuilding (STC,) a detached stone outbuilding and further workshop. The property is being offered with the paddock to the rear, and affords more particularly the following:

### Bedroom 2

### Externally

Adjacent to the property, with a door from the dining room, is a former forge area. The property is approached via a gated entrance having a private forecourt which leads to the detached stone and slate building, thought to be the original forge with, in our opinion, significant potential for alternative uses.

**Former forge area**  
30'7 x 15 (9.32m x 4.57m)

An attractive open plan room with an exposed roof structure, double doors to front and rear windows.

**Former forge building**  
32 x 19 (9.75m x 5.79m)

Of stone and slate construction.

**Workshop**  
32'6 x 17'6 (9.91m x 5.33m )

To the rear of the forge building is a purpose built workshop of Dutch barn style which is dry lined with zinc cladding. This is part insulated with uPVC door and windows to side with electric connection.

**Gardens**

To the rear of the property is an attractive mature garden area with traditional cottage style garden, having some lovely old apple trees and grassed areas, in all approximately 0.35 of an acre.

**Land**

There is a level paddock to the rear with roadside frontage, making this a unique opportunity for developing a lovely country property close to Aberaeron. There may be the option of purchasing more land, (in all approx. 10 acres) price by negotiation.

## Services

It is believed that the property is connected to mains water, mains electricity and private drainage.

## Directions

On leaving Aberaeron on the Lampeter road for approximately a mile, the property can be found by the Neuaddlwyd turning on the right hand side as identified by the agent's For Sale board.
