The Hollins Hall retirement village in Harrogate, set in 14 acres of landscaped gardens on the edge of the Yorkshire Dales. Once the home of the famous Tetley family, Hollins Hall is now the hub of a thriving community, just five minutes' drive from Harrogate town centre. Hollins Hall first opened its doors in 2000 and has proved extremely popular. However, when properties become available, they offer a variety of accommodation from apartments, bungalows or cottages. The main house acts as the club house of the village. A bar and restaurant are situated in the main house, overlooking the terraced gardens, and have become a popular meeting place throughout the day. The terrace at the rear offers stunning views over Nidderdale and is a perfect location for summer barbeques and parties. At the front of the house is the library holding a large collection of both fiction and non-fiction books. The main office adjacent to the front door is where residents can call on members of staff to assist them in any concierge services they may require throughout the day and night. The health and well-being centre is contained in a glazed extension of the main house and makes a fabulous setting for the ever-popular swimming pool. The exercise room containing gym equipment is adjacent and where regular exercise classes take place.
