Oak Tree Cottage offers a fantastic opportunity to escape the rigours of urban life - a characterful, detached period cottage set in 4 acres of garden & paddock with far-reaching views over the Staffordshire countryside. The property as a whole has undergone a full renovation by the current owners offering comfortable accommodation which is beautifully presented throughout. In addition to the main house, there is a self-contained home office with potential for further adaptation to an annexe or holiday let. Perfectly set up for equestrian pursuits or hobby farming with four adjacent paddocks, yard, stables and agricultural buildings. Located roughly halfway between the canal town of Stone and the market town of Uttoxeter, within easy reach of Stafford, just a short distance from Cannock Chase, Trentham Gardens, Alton Towers and many other local beauty spots and attractions.

Gardens

Oak Tree Cottage enjoys a large formal garden situated to the southwest side of the house, mainly lawn with extensive well stocked borders and far reaching views across Staffordshire towards Cannock Chase in the distance. Several patio areas and plenty of space for outdoor living.

Office / Annexe

Detached former double garage which has converted to form a self-contained office with adjoining store. Ideal for conversion to a self-contained annexe or holiday let if so desired or could easily be re-instated as a double garage as the doors are still in-situ. Cabled internet connection to the main house which has a direct high speed fibre connection.

Oak Tree Cottage is approached over a long driveway from the lane leading to a large parking area which provides space for a number of vehicles. Access to the courtyard parking area adjacent to the house and separate gated access to the stable yard.

Stable Yard & Paddocks

The house sits centrally within its plot, with garden and paddock extending in total to 4 acres or thereabouts. The paddocks all benefit from mains fed water troughs and have recently been re-fenced with 'Tornado' horse fencing. The stable yard is to the rear of the house featuring a concrete yard and stables with 3 loose boxes, one currently used as a feed room.. Gate through to the farm yard with a modern 3 bay steel framed barn. Additional loose box and open fronted store adjacent to the stable block.
