

147a, Lichfield Road, Stone, ST15 8QB

Asking Price £480,000

A rare, if not unique opportunity to acquire a detached bungalow in a sought after residential locale with planning consent for re-development. Whilst the bungalow itself is very nice and a property you could happily call 'home,' the current owners have seized the opportunity to maximise the potential of the plot and have plans approved for a rather swish looking contemporary house, achieved by extending and re-developing the footprint of the existing property turning it from 2 bed bungalow into a 5 bed, 4 bath family home with 2 car garage. The bungalow occupies a large and very private plot with sunny south westerly aspect to the rear in a suburban location about ½ mile south of Stone town centre, close to St Michael's primary school and convenient for all the amenities the town has to offer.
