

Wild Rock, Windmill Hill, Rough Close, Stoke-On-Trent, ST3 7PL

Asking Price £825,000

What an opportunity! A 1970s detached bungalow set in approximately 1.2 acres of garden in an elevated position backing onto Rough Close Common with open views across the Staffordshire countryside. This is a truly unique proposition which offers huge potential as either a single family home or possible re-development as either a single or several dwellings, subject to planning. Exceptionally spacious accommodation extending to approximately 3500 sq ft featuring two large reception rooms, dining kitchen, separate laundry, four double bedrooms, two en-suite and guest bathroom. The property is approached over a long gated drive which leads to a circular turning / parking area, carport and two car garage. Large wrap-around gardens with oodles of space for outdoor living. The property was clearly built to a quality standard but now presents the opportunity for a new owner to refurbish to their own specification. Fabulous location, hidden in plain sight but nevertheless highly convenient for commuting in all directions, just a few minutes drive from The Potteries, A50 and M6 jct 15.
