This property is semi-detached and offers fantastic value for money for the size and to be able to enjoy a semi-rural location. The village with its amenities is only a mile or so away and there's a bus stop at the end of the drive and walks in almost every direction including the Two Moors Way. It's 1 of 4 privately owned leasehold properties to the rear of Beech Hill Community House and if you wish, you may become a cooperative member & part of the community but this is optional. This provides you access to the entire eco-friendly, 6 acre site, including a camping paddock. In addition, if you would like access to the swimming pool there is an additional £25 charge towards maintenance. Alternatively, the house can be enjoyed without the additional land use.

The accommodation, with handcrafted woodwork throughout, has been very well updated and improved by the current owner. There's little for a new owner to do and with LPG heating, solar PV's and a wood-burner, it's an economical property to run. On the ground floor is a large living room with wood burner and the wonderful gallery over, plus a well fitted modern kitchen and a second double bedroom or of course this could be used as a dining room or study. Stairs lead to the landing and the first floor includes the minstrels' gallery overlooking the living room, ideal as a study area or library, and this also provides access out to a newly refurbished decked balcony with some stunning views and a private seating area to Courtyard Cottage. Also on the first floor is a gorgeous double bedroom and both a bathroom and a shower room which are modern and stylish.

There is gas (LPG) central heating throughout and double glazing and throughout, the property is in very good order and ready to move into, ready for a new owner to enjoy.

The property has 2 allocated parking spaces in the car park and the potential to rent an allotment if desired.
