Cheriton Bishop is a popular village due to its village community and great links onto the A30 opening up easy access to Exeter and beyond. There's a pub, shop and primary school with a school bus to secondary school and there is a very well thought of medical centre. The town of Crediton is about 15 minutes away and in the nearby village of Yeoford, there are rail links to Exeter and Barnstaple on the Tarka line.

The cottage itself is located just outside of Cheriton Bishop. It is in need of complete renovation and the current owners have begun the strip out. Please note that some floors and internal walls have been removed already, this is not a live in project! The property will require some additional structural work but would make a fantastic home once completed. To be in this location and have a newly renovated home would be something pretty special. So for those not wanting to go the whole way and build a new home (there is planning to do so!) then a submission to Mid Devon District Council could be made to enlarge/alter the existing house and still create a wonderful home. The plot extends to approx. 0.50 acres with some fantastic fruit trees towards the back of the plot.

Please do not access the property or the field without an appointment with the agents.

Please see the floorplan for room sizes.
