Plot at Westdown Cottage

Cheriton Bishop, Exeter

- Building plot of 0.50 acre
- Backing onto fields
- Approx. 1 mile to village
- Planning for large 5 bedroom house
- 288sqm (3098 sqft)
- Level and good access
- Existing house to demolish

Cheriton Bishop is a popular village due to its village community and great links onto the A30 opening up easy access to Exeter and beyond. There's a pub, shop and primary school with a school bus to secondary school and there's a very well thought of medical centre. The town of Crediton is about 15 minutes away and in the nearby village of Yeoford, there are rail links to Exeter and Barnstaple on the Tarka line.

This is a rare opportunity for a brand new house in a countryside setting, just a mile from Cheriton Bishop. In its own 0.50 acre plot, the planning permission was granted by Mid Devon District Council on 3rd September 2023 under their reference 23/01001/FULL. The planning is to demolish the existing house and build a new larger property in the plot.

The new house will be set back a little further than the existing and make the most of the gardens. The plans show a large, 3 storey (rooms in the roof) detached family home of approx. 288sqm (3098 sqft) so it's a very good size. Of course, the planning could be changed to suit but this would depend on the council's decision following consultation. The new house will be very energy efficient and have some lovely views.
