The property has been designed in an attractive 1930's style with brick/hung clay tiled elevations with a clay tiled roof. The oak finishing including all internal doors, skirtings, architraves, master bedroom ensuite units, and a wonderful staircase with galleried landing overlooks the impressive entrance hall. The rooms are well proportioned and light with most facing south taking in fine tree lined views over the garden and town beyond.

The kitchen is in a farmhouse style with cream shaker units including a rangemaster 5 ring, 2 oven and separate grill cooker and plenty of space for white goods, the dining end of the kitchen has double doors out to the garden. The lounge has patio doors out to the garden giving a lovely aspect and a gas stove in a woodburner style. There is a study on the ground floor, a WC as well as a utility room which has space for a washing machine and dryer, further kitchen units, a sink and a door to the side of the property, another door leads into the double garage. Upstairs there are 4 large double bedrooms, 3 with south facing viewings, the two largest bedrooms both have ensuite bathrooms. The main bathroom has a white suite bath and separate shower.

Externally, the house enjoys a beautifully landscaped garden over 2 levels, with both being mainly lawned, and very well stocked with flowerbeds & borders plus various trees and climbing plants. There is a paved patio providing a secluded & sheltered seating area to enjoy outdoor dining and a garden shed. To the front is an attractive block paved parking area and an attached wider than average double garage.

Seeb House was built by well known local developers Reed Construction & Developments Ltd (who are renowned in the area for their high standard of workmanship), and benefits from mains gas underfloor central heating (the ground & first floor are independent of each other plus every room has an individual wall mounted thermostat) and sealed unit hardwood double glazing. The house has excellent thermal insulation properties making it an affordable home to run.

For those commuting it has hassle free transport links into Exeter and for schooling a prestigious secondary school with sixth form (Queen Elizabeth’s).
