Set within a peaceful and elevated cul-de-sac, 10 Dartmoor View is an attractive detached bungalow offering a blend of comfort and practicality. Chulmleigh itself is a vibrant market town offering a range of amenities, including shops, a health centre, schools, and recreational facilities. Its central location in Devon provides easy access to both countryside and coastal attractions. Situated just a short walk from the heart of the town, this property boasts three bedrooms (or two with a separate dining room), making it versatile for various living arrangements. The bungalow is set on a delightful plot with south-facing gardens, providing a sunny outlook and far-reaching views to Dartmoor. Inside, the neutral decor creates a calm and inviting atmosphere throughout the home. There's oil fired central heating and uPVC double glazing to help with the overall efficiency of the property.

The layout offers a useful front porch and from the hallway, two double bedrooms are found, served by the family bathroom with its white suite. The living room opens into the conservatory with south facing views over the garden and beyond. The kitchen has a range of storage and worktop space and is at the rear of the home. The third bedroom (currently used as a dining room) over looks the gardens too and a set of doors out would be a lovely addition should a new owner wish to do so. With the extra space added by the conservatory and third bedroom, it's a great sized bungalow with some flexibility on how the rooms can be used.

Outside, the garden wraps around to the south side with those lovely views and a sunny aspect. There's off-road parking and an attached garage for additional storage. Various seating areas have been set out to take advantage of the sun/shade around the gardens. A block-built store would make a great home office or studio and then attached to this is a purpose built workshop with power and light with room to store and work. To the end is a useful covered seating area, ideal for BBQ's and entertaining, whatever the weather!

10 Dartmoor View is a delightful bungalow that combines practicality with charm, making it an ideal choice for those seeking a comfortable home in a picturesque setting.
