BOW, being the geographical centre of Devon, is well positioned for accessing Dartmoor, the North Cornish coast, and the A30. Surrounded by rich and varied farmland, several homesteads are noted in the Domesday Book, while a 3rd Millenium woodhenge lies to the west of the Parish. The 12th century parish church of St Bartholomew lies on the outskirts of the village at Nymet Tracey. Along side its ancient roots, Bow offers a mix of character and newer properties and is home to families and older couples alike who are attracted by its well-regarded primary school (OFSTED: GOOD) and active community. Bow residents enjoy a range of facilities including a modern doctor's surgery with its wellbeing garden, a local football team, a co-op, and a garden centre with café.
