Higher Town Court is a very small development of dwellings sympathetically designed to blend in with the surrounding countryside, situated on the edge of the popular village of Lapford, with a thriving and active community. This home is deceptively spacious with large bedrooms and open living spaces, the air-source heat pump and solar thermal panels for the hot water make it affordable and efficient to run. With a primary school and shop along with train station and regular bus routes, Lapford is a super location with good accessibility and the benefits of rural living.

The kitchen/diner has an array of fitted units with integrated fridge/freezer and dishwasher. There's space for a washing machine and plenty of room for a large farm house style table. The lounge is full of light and enjoys wonderful views whilst still maintaining a cosy feel with the woodburning stove.

Also on the ground floor is a WC and large entrance hall. On the first floor there are two double bedrooms enjoying the views and the master bedroom has large fitted wardrobes and an ensuite shower room. The family bathroom has a white suite bath with shower over. On the 2nd floor there is a suite style bedroom with sitting area and fitted wardrobes along with a spacious ensuite shower room. The windows are timber double glazed and the heating is air-source generated central heating. The property has the added bonus of thermal solar providing hot water and underfloor heating on the ground floor.

Outside there are two parking spaces and a lovely enclosed garden with patio area to enjoy outdoor dining overlooking the countryside and storage shed. To the side there is a bin store and further storage.

GIRAFFE360

LAPFORD is a hillside village overlooking the river Yeo. It has a past reaching back to the Iron Age and a grade I listed church that was rebuilt and extended in the 12 century by Sir William De Tracey as penance for his part in the murder of Thomas Becket. Several options are available for socialising including the Malt Scoop pub, Lapford Mill café, and several outside spaces for children to play and where events are held. Further out of the village on the A377 is the petrol station with convenience store. For a larger selection of independent shops, bigger supermarkets Crediton is 9 miles away. Nearby is Lapford station, a request stop on the scenic Tarka Line running between Barnstaple and Exeter. And for those seeking the fresh air, about a mile away is Eggesford Forest, home to the very first trees planted by the Forestry Commission which offers numerous plantations for walkers, riders, and cyclists.

DIRECTIONS

From the A377 take the road signposted to the village of Lapford, continue up the hill and straight up through the village. At the end of the village there is a left turn onto Rensley Lane, take this road and then the courtyard can be found immediately on the right.
