Located in a cul-de-sac location with views of the church and just a short walk to the village primary school, foody pub & community café, this two bedroom house is waiting for its next owner. It's a popular village, one of the larger in the area and as such benefits from public transport (bus and rail) and there's a petrol station with shop too!

The house is mid terraced and was built in the 1980's as part of the wider Orchard Way development providing a mix of houses and bungalows within the village with some super views to the South. Church Close is a small cul-de-sac and No.6 is towards the end with a lovely outlook to the front to the church and the rec field is also on hand at the end of the cul-de-sac. The house has been rented for a few years and although is in need of some cosmetic improvements, it's a well built house with double glazing, electric heating and in a great location. The layout is fairly standard with a living room to the front, the kitchen/diner to the rear which overlooks the rear garden.

On the first floor are the two double bedrooms with a central bathroom serving both. Outside is a level lawned garden to the front and to the rear is a further garden with rear pedestrian access. At the end of the cul-de-sac is the garage and parking in front, a real benefit and attraction of this property. The garage is on the same side of the road and it's the left hand one.

LAPFORD is a hillside village overlooking the river Yeo. It has a past reaching back to the Iron Age and a grade I listed church that was rebuilt and extended in the 12 century by Sir William De Tracey as penance for his part in the murder of Thomas Becket. Several options are available for socialising including the Malt Scoop pub, Lapford Mill café, and several outside spaces for children to play and where events are held. Further out of the village on the A377 is the petrol station with convenience store. For a larger selection of independent shops, bigger supermarkets Crediton is 9 miles away. Nearby is Lapford station, a request stop on the scenic Tarka Line running between Barnstaple and Exeter. And for those seeking the fresh air, about a mile away is Eggesford Forest, home to the very first trees planted by the Forestry Commission which offers numerous plantations for walkers, riders, and cyclists.
