

199 Cliffe Road

Rochester, Kent, ME2 3DN

GREENLEAF are delighted to introduce this impressive three bedroom detached bay-fronted house to the market, in ever-popular Strood Rochester. Set in an imposing elevated position and boasting off road parking and established sizeable gardens to front, side and rear, this beautifully presented 1930s family home further benefits from a stunning kitchen/breakfast room extension to the rear, a recent new boiler, bi-fold doors out onto the patios, and has been fully refurbished throughout in recent years.

The layout briefly consists of: Hallway giving access to stairs up to first floor, downstairs shower/utility/WC, lounge, open-plan to dining area, open plan to the kitchen/extension; the upstairs landing gives access to three bedrooms and family bathroom. The opportunity exists for further accommodation into the recently boarded loft, or to the side of the house subject to PP, with lapsed planning in place for a potential garage.

The property is located within a walk to Strood town and all local amenities including the station with fast trains to London, and the beautiful Broomhill Park with far reaching views across the river to Rochester castle, cathedral and beyond, whilst quality local schools for all age groups and A2/M2/M20 road links are close by. Just over the bridge, the historic Rochester High Street awaits with a range of bars, restaurants and boutiques, castle and cathedral. This is an opportunity not to be missed, we therefore recommend viewing at your earliest convenience to avoid disappointment.
