Why Invest In Birmingham?

Boulevard puts you in a prime position to take advantage of the Midlands' most important regional hub. Demand for purpose-built residential property is currently at an all-time high in Birmingham, fuelled by a growing trend in companies relocating parts of their operations from London to Birmingham, making the city the top destination for relocation outside of the UK capital and for property investment both domestically and from international buyers.

£1bn- Growth by end of 2023.

Already established as a prosperous, high growth city, major projects including HS2, a regional housing boom and global investment are powering Birmingham's economic growth.

24.5% growth - 2022 - 2026. JLL 5 year growth forecast for Birmingham residential property values - the highest in the UK.

14% increase - Rental values. JLL forecast a 14% increase in rental values in Birmingham 2022 - 2026.

41% Graduate retention - With a student population of 80,000, Birmingham retains 41% of graduates, providing an evergreen source of private rental tenants.

32% Of Birmingham City population aged 15 - 34. With the youngest city population in Europe, there is high demand for private rental property.
