Location

The Jewellery Quarter is a designated conservation area and proposed World Heritage Site and is already a prestigious and highly desired part of Birmingham. It is experiencing further development as some of the old factories are converted into apartments, restaurants and shops. It is only a short distance to all that Birmingham City Centre has to offer. Camden Court is located in the heart of this historic district. It is one of the only town house developments of its kind in the area and therefore encourages strong demand, capital growth and strong rental yields.
