

MOUNT STREET

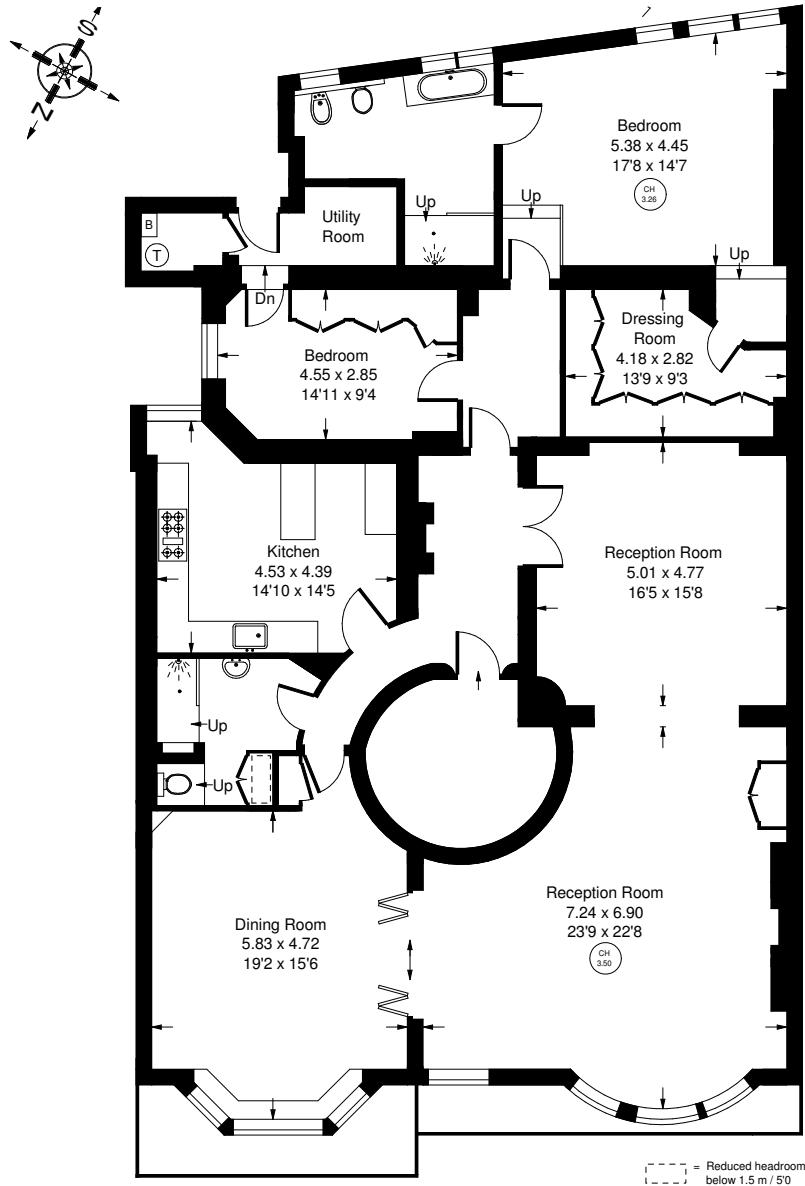

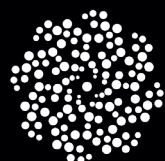

Approx. Gross Internal Area
= 210.5 sq m / 2266 sq ft

Mount Street, W1

Local Authority: **City of Westminster**

A beautiful lateral apartment on the first floor of a distinguished period building on one of London's most prestigious streets, offering exceptional ceiling heights, large bay windows, and beautifully appointed interiors throughout. This apartment is all about the dramatic reception spaces. There is an enormous double-reception room with superb period features and marble fireplace with double doors opening onto another reception room; these rooms benefit from floor to ceiling windows. There is an indulgent principal suite and a further bedroom and separate bathroom. The large eat-in kitchen is well fitted and perfect for a professional cook with a Wolf range cooker. The building has excellent common parts and a lift.
