Description

This beautifully presented, Grade II listed former primary school has been sympathetically renovated over almost two years by the current owner who have retained many of the original features whilst creating a spacious, family home with a modern feel.

The beautiful lounge/dining room which is in the original part of the property is open plan with two feature fireplaces, one with a log burner. The open plan kitchen/breakfast room has a comprehensive range of units including an island,

Belfast style sink and Rangemaster oven. Also to the ground floor is a cloakroom, utility room and study.

Bedroom accommodation to the ground floor comprises two double bedrooms, one with an ensuite shower room and the other with an ensuite bathroom with separate shower. This room also has it's own access to the outside.

Originally a single storey building, a mezzanine level has been added with an attractive staircase from the lounge to two first floor, en suite bedrooms both with walk in dressing rooms. The property is enhanced by LPG central heating and double glazing.

The grounds surround the property on all sides providing low maintenance outside space, with attractive, well-stocked raised beds and borders.
