

Situated on the charming Beechwood Avenue in Darlington, this stunning period townhouse, built in 1910, offers a delightful blend of classic elegance and modern comfort. As you step through the welcoming hall, you are immediately greeted by the character and warmth that this home exudes. The property boasts two spacious reception rooms, perfect for entertaining guests or enjoying quiet family evenings.

The fitted kitchen and breakfast room, complete with a cosy log burner, provides an inviting space for culinary adventures and casual dining. On the first floor, you will find three well-proportioned bedrooms, accompanied by a family bathroom that caters to all your needs. A further staircase leads you to the second floor, where an additional bedroom and a shower room/WC await, offering privacy and convenience.

Externally, the property features a charming front forecourt garden, enhancing its curb appeal. To the rear, you will discover a garage and a private south-facing garden, ideal for enjoying the afternoon sun and hosting summer gatherings.

This townhouse is a true gem, retaining its period features while providing ample space for modern living. It is perfect for families or anyone seeking a home with character in a desirable location. Don't miss the opportunity to make this beautiful property your own.

#### Buyers Identification Checks

Should a purchaser(s) have an offer accepted on a property marketed by Carver Residential they will need to undertake an identification check. This is done to meet our obligation under Anti Money Laundering Regulations (AML) and is a legal requirement. We use a specialist third party service to verify your identity, this is not a credit check and will have no effect on credit history. The cost of these checks is £36 inc. VAT per buyer, which is paid in advance, when an offer is agreed and prior to a sales memorandum being issued. This charge is non-refundable.

#### Property Size

Please note the property size is taken from the Energy Performance Certificate and may not take into account all rooms from the floorplan (due to unheated space not being calculated e.g. conservatory, garage)
