Grove Wantage Oxfordshire OX12 0RD

GREEN & CO

Description

Brand new three-bedroom semi-detached home offered for sale with a 10 year NHBC warranty. This highly energy efficient property features solar panels and EV charging point with two parking spaces side by side and south facing rear garden. Set within walking distance of shops, schools and local amenities the property is being meticulously constructed by a Home Builders Federation five-star developer with completion set for the Summer 2024.

Location

The village of Grove lays approx. 13 miles south-west of Oxford where the Thames Valley meets the Berkshire Downs and is well situated for all the main travel links, with the A338 providing easy access to the A34, M40, M4, plus the rail links in Oxford, Didcot and Swindon. Its favoured position gives the village a peaceful aspect and it stands amid traditional farming areas. Despite this, Grove has grown, in post-war years, from a small, self-sufficient hamlet to a thriving modern community with shops and schools to meet the needs of its newcomers. The extensive acreage given over to housing is designed for ease of access to the modern schools in comparative safety, along a network of walkways, only seldom needing to crossroads or encounter traffic. With more comprehensive facilities available in nearby Wantage, Grove offers much more than the average village.
