

GREEN & CO

GREEN & CO

Description

Introducing Castle Gardens, which includes only five exclusive private homes by a local developer of some repute and is located in the charming village of East Hanney, near Wantage in Oxfordshire. These exceptional properties blend timeless design with modern living and are nearing build completion, with occupancy available from early 2025. Each home features generous parking, more extensive gardens than the typical new build provision, turfing and floor coverings, integrated appliances and a double garage or double car barn. Additionally, every homeowner will become a management company member responsible for maintaining the development's private road and communal facilities, putting them in control of their annual service charge. Given the easy walk into the centre of the village, these fantastic new homes are well worth viewing.

Plot 7

Spacious five-bedroom detached family home over three floors with double car barn and parking. The car barn has a loft space which has a fixed external staircase, light, power and Velux windows and would be ideal for a home gym or the like. The downstairs features a spacious hallway, a large kitchen/breakfast/family room, living room with fireplace, utility room, and cloakroom. With enclosed gardens to the rear, parking space, and double car barn, the property is ready for immediate occupation and chain-free.

Location

East & West Hanney are attractive Oxfordshire villages benefiting from good communication links to Wantage and beyond, with Didcot Parkway approx. 9 miles away, Oxford around 12.5 miles distant and Swindon approximately 17 miles off. Featuring two public houses The Black Horse & The Plough (which many local residents now own) and both Indian & Italian Restaurants, these thriving

communities also boast a community shop, tennis, football, bowls, and cricket clubs and a busy social scene. Village life is enhanced by excellent access to the beautiful surrounding Oxfordshire countryside, for ramblers and cyclists alike. In this modern age, the village website; <http://www.thehanneys.org.uk/> is a superb medium to integrate into all that these lovely villages have to offer.

Ofcom

For broadband speeds and mobile coverage please visit <https://www.ofcom.org.uk/>, if Rightmove have deleted this link then please click on our attached PDF brochure and click on the link there. If the subject property is a new build then please refer to the developer's specification.
