Description

The accommodation of this well presented and maintained family house comprises entrance hall with wood flooring and stairs to the first floor landing. The bay fronted lounge has fitted blinds a traditional style gas fireplace and wood flooring. There is a separate dining room now used as a snug as the rear extension has created a bright and spacious fitted kitchen-diner with modern units under wooden work tops including an island, under floor heating and two sets of bi-fold doors onto the garden. The former kitchen is now a separate utility with a WC. The first floor accommodation has 3 separate bedrooms (two with original fireplaces) and built in wardrobe/cupboards in each room. The modern bathroom has a large shower enclosure.

The front of the property has driveway providing parking for several vehicles and there are gates at the side allowing vehicular access in to the rear garden. The level west facing garden is 125ft in depth and is mainly lawned with a patio adjacent to the kitchen bi-fold doors. There are two sheds and a greenhouse to remain.

In our opinion the property offers potential to extend to the side subject to local authority consent.
