Property description

The accommodation of this impressive family home comprises a vaulted entrance that is open to a kitchen dining room which is the centre of the home. The kitchen is fitted with oak wall and base units under granite worksurfaces, an oil fired AGA for cooking and a flagstone floor. The sitting room has a wood burning stove, doors to the rear on to the garden and a solid oak floor. A study fitted with cupboards and shelves could easily be used as a fourth bedroom. A double bedroom with en-suite shower-room and a family bathroom complete the ground floor accommodation. Open plan stairs lead up to a snug area used as a reception room with windows following the roof line giving great views of the garden. There are two further double bedrooms on this level and en-suite shower room.

The garden is a particular feature of this property and the current owners have invested heavily in creating a very versatile space with several areas of interest including patios, a sunken plunge pool, covered dining area, koi pond, children's adventure playground, mature shrub and flower beds and a central lawn. A strip of woodland runs across the rear of the property providing seclusion. There are several useful out-buildings including a large store room, workshop and cabin that would make a great home office. There is ample off-road parking behind the electric double gates on the driveway, two carports and a detached garage with a room above.
