GARAGE AND PARKING

With double wooden doors to front, the garage has window to rear, wall mounted boiler , power and light connected. To the front of the garage there is driveway parking for one additional car.

GARDENS

The front garden has a mature front hedge providing a mature screening and a high degree of privacy for the property. There are access points either side of the property leading to the rear garden.

The rear garden is substantial and has three tiers to it, the first of which is a lawned area with flower / shrub border and access to the raised patio area which provides a lovely space for sitting out and entertaining. From the top garden tier, the mid garden section has a footpath that meanders down to the lower garden tier flanked by mature trees and shrubs. The lower garden tier is level with mature trees as a screening to the railway line beyond. This substantial garden section also runs behind the neighbouring properties.

ADDITIONAL INFORMATION

We have been made aware that work to eradicate the trace of Japanese knotweed have been undertaken to a small isolated area of the garden at 45 Granville Road. These works were undertaken by specialist contractors and there is an active treatment plan with an insurance backed guarantee in place in this regard. The insurance guarantee is transferable to a new owner upon the sale of the property. The treatment plan is scheduled to last until 2029 and the property is currently insured (insurance has never been refused for the property).

We have also been made aware of cracks to the building from which a structural report has been commissioned with the following conclusion - "We believe the likely cause to many of the significant cracks is a due to foundation movement to the rear of the property and also the side garage."

For further information regarding reports / guarantees held on file, please contact the office on 01732 740 747.
