£299,950 - Leasehold

We are delighted to offer this superb ground floor, 2 double bedroom, retirement apartment enjoying an excellent position on the sought after lower ground floor with the advantage of French doors opening from the spacious living room to its own patio area which faces south onto a lovely, sheltered area of the picturesque private gardens. Highly Recommended.

The properties that open to the garden here at Pegasus Court are the most sought after of all and this well-designed apartment certainly occupies a premium position with the added attraction of easy access to the nearby residents' lounge and other facilities in the building.

The design layout of this apartment is superb with all main rooms arranged to overlook the picturesque gardens. The accommodation includes a fitted kitchen and a spacious full bathroom together with good built in storage space. The property is very well presented throughout with light neutral decoration.

The extensive communal gardens are fully maintained and are a further feature at Pegasus Court with sweeps of lawn and patio areas but only a limited selection of apartments, including this one, have their own sheltered patio areas that leading directly onto the gardens. These have always been considered to be the most desirable properties in the development.

The Accommodation

A panel front door opens to the welcoming reception hall. Here doors open to the living room, bedrooms and bathroom and to a good selection of built in storage cupboards.

The virtual 26 (7.91 m) Living room offers abundant sitting and dining space and includes thoughtful design touches such as higher level power points (a theme continued throughout). A glazed door opens to the kitchen and uPVC double glazed French doors lead out to the patio area and the gardens.

The kitchen is fully fitted with a range of shaker style wall and floor cupboards, roll edge laminated work surfaces with an inset ceramic hob and concealed illuminated cooker hood above. There is an inset single drainer stainless steel sink unit and mixer tap over, a built in eye level electric oven-grill, space for a full height fridge-freezer, ceramic tiled surrounds and a uPVC double glazed window overlooking the gardens.

The principal bedroom is a very well proportioned double bedroom having a large uPVC double glazed window giving a view of the pretty gardens, telephone and TV points, bedside light switches and a built in double wardrobe incorporating hanging and shelf space.

Bedroom two is also a superb double room with uPVC double glazed window once more allowing an outlook to the garden.

The spacious bathroom is fully tiled to complement the white suite that comprises a low level bath, a separate shower enclosure with thermostatically controlled shower, a wash hand basin set in a vanity unit with cupboards beneath and a close coupled WC. Fitted wall mirror, electric shaver light point, a fan assisted wall heater, a heated towel rail, an automatic extractor fan and an emergency alarm cord.

The apartment is well appointed throughout with a comprehensive electrical specification and TV services.
