36 Westway, Nailsea, North Somerset BS48 2NB

£495,000 - Freehold

A very deceptive, extended five-bedroom family home of excellent proportions, offering well-arranged and flexible accommodation with a large, private, level garden in a sought-after, well-established avenue within easy reach of the town centre. Available without any chain delays.

This substantial property is on the market for the first time in over 50 years. Over the last half-century or more, it has been well maintained, enlarged, and improved. The living space has been extended and is highly adaptable, with bedrooms and bathrooms on both the ground and first floors, making multi-generational living an easy option. Equally, the ground-floor bedrooms can be used as reception rooms.

The property stands prominently in Westway, a broad avenue, well away from busy main roads, in this favoured and established residential area of the town. The town centre is just a short and easy walk away, offering access to the High Street, Crown Glass Shopping Centre, medical centres, a gym (with another planned), and many other facilities. The convenience of this setting is one of the reasons why it is such a popular location. The properties here are well spaced, with ample gardens, and the bright, attractively proportioned rooms always appeal.

The well-designed layout includes an entrance hall with original parquet flooring, leading to both the living room and the kitchen, as well as all the main ground-floor rooms.

The very airy living room is dominated by an almost full-width double-glazed window (a feature that continues throughout), which bathes the space in natural light. A feature fireplace provides a focal point and there is also parquet flooring. A separate dining room (or bedroom) overlooks the rear garden and can optionally be used as a ground-floor double bedroom.

Further along the hall, there is a room currently furnished as a sitting room, with patio doors opening onto the terrace and expansive rear garden. The adjacent full bathroom has been updated in recent years and is well appointed, with fitted cabinets and a P-shaped shower bath.

The kitchen and adjacent utility room also enjoy an outlook over and access to the rear garden. Both are fitted with a range of oak-finish wall and floor cupboards, providing ample work surfaces. A door from the utility room leads out to the patio, and another door opens into the garage.

Returning to the hall, past the feature staircase, there is an attractive principal double bedroom that is again light and airy, with another broad window.

Heading upstairs, the landing opens onto three more bedrooms (two of which are double rooms) and a further full bathroom.

As highlighted at the start of this description, the property is far more spacious than it appears from the front. Please be sure to book a viewing as soon as possible, as houses of this size for under £500,000 are very rare indeed.

Outside:

A gated drive leads to the attached garage at the side of the house and the neat garden at the front is enclosed by a low wall with a hedge within that screen the property without spoiling the light.

To the rear a full width patio that is in sunshine into the evening adjoins the back of the house and then leads to the level lawn that is probably just the right size. There is a central path leading to the bottom of the garden where established hedges offer a high degree of privacy. A sun deck is set to one side, there are shaped beds, a small pond and good fence and hedged side boundaries.

About Nailsea:

Still known affectionately by many as 'the village', Nailsea is the smallest of the four North Somerset towns but the most conveniently placed for Bristol at just 8 miles from the city.

A good range of amenities are available including large Tesco and Waitrose supermarkets, Doctors and Dental surgeries, a pedestrianised shopping centre with some nationally known and smaller independent retailers and professional offices.

There are additional local shops within walking distance of the house, while a monthly farmers market is an attraction and there is a good selection of cafes, pubs and restaurants

There is high employment and there are good schools all over the town.

Nailsea and Backwell secondary schools are both within easy reach and independent schools in the area include The Downs at Wraxall.

Though well placed for the commuter, Nailsea is surrounded by pretty North Somerset countryside but with easy access to other major centres in the area and access to the Sustrans national cycle network with a good route to Bristol and other destinations. Junctions 19 and 20 of the M5 are less than 6 miles giving easy access to the country's motorway network and a main line rail connection is available at Nailsea and Backwell Station which is within walking distance with direct trains to Bristol, Filton-Abbeywood, Bath and London-Paddington.
