LODGES BY THE LAKE

Willow Lakes has also teamed up with Fractional Park Solutions to make holiday lodge ownership even more affordable.

WHAT IS FRACTIONAL OWNERSHIP?

Fractional ownership is when unconnected individuals (usually 4) combine resources to collectively share ownership of a property.

HOW DOES FRACTIONAL OWNERSHIP WORK

Each owner (member) is allocated up to 13 weeks per year on a 4 year rolling diary, so everyone has a fair spread of exclusive weeks (normally in two week slots) throughout each year for their use. Members may swap weeks (via the management company) by negotiation with other owners allocated weeks, creating full flexibility.

WHAT ARE THE BENEFITS OF FRACTIONAL OWNERSHIP

- * You have extended use of a luxury holiday home for a fraction of the price you would normally pay
- * You have an asset that may grow in value and that can be sold or handed down to your children
- * All buying costs are included in the purchase price
- * You do not have to pay all the year-round running costs of owning a full property
- * The property will be managed and maintained on your behalf

FINANCE AVAILABLE

Secured on the individual members share, Finance is available (subject to status) with a 10% deposit over a term of 120 months and low interest rates. Further information can be provided upon request.

VISION OF THE FUTURE

Since January 2020 the owners have developed Willow Lakes into the dynamic and diverse business that it is today, with the completion of the first phase of lakeside & woodland lodges and most recently, the development and opening of Landmark Caf   & Restaurant, which has exceeded everyone's expectations and has become the 'go to' destination serving over 100,000 customers a year.

The park remains unspoilt, and every effort is made to ensure that any development does not directly impact the natural beauty of this incredible countryside location. That ethos remains and any further development will follow the same disciplines.
