Detached

Inside, the layout is both generous and flexible, with multiple reception rooms, a spacious kitchen, and five well-sized bedrooms arranged over two floors. There is also the benefit of a ground floor room that could be used as an additional bedroom, home office, or a further reception space. Although the property requires modernisation throughout, it offers a solid and well-proportioned footprint that would suit a wide range of design approaches, including open-plan living, reconfigurations, or future extensions, (subject to the usual planning permissions.)

The garden is a particularly good size and provides an excellent space for family life, entertaining, or simply relaxing outdoors.

Whether you're a family looking to create a forever home or someone wanting a project with great scope, this house offers a rare opportunity in a truly exceptional location.
