Park Home Living

Are you looking to escape the pressures and responsibilities of running a large house now that the kids have flown the nest? A park home could offer a perfect solution. Economical to run, not too much housework and a garden usually of a size to be a pleasure rather than a chore. Living on a park home site can offer you a tranquil, relaxed way of life, a chance to hear the blackbird singing on the fence, rather than the crash of a football in your garden!
