Danbury
£635,000
3-bed detached house

South View Road

Bonaire is stunning example of architecture decades ahead of it's time with a truly wonderful story to match of how this family were specifically looking for a sloping plot of land to create a split level family home. Inside, there are three reception rooms, three bedrooms set over split floors allowing flexible living options to suit most buyers. There is an integral double garage situated below the living space and a balcony overlooking this established and tucked away plot. The property is in need of modernisation offering buyers a wonderfully unique chance to remodel and further extend subject to the usual planning requirements to create their own real life 'Grand Designs' family home.

The sought after village of Danbury is located between Chelmsford and Maldon with a picturesque duck pond, tea room and various local amenities. Sandon park & ride is located in close proximity with a direct bus service to the City and railway station with a frequent service to London. The village is at the centre of extensive woodland areas including Danbury Common and Country Park, ideal for countryside walks incorporating nature trails. Chelmsford city centre is located around 5 miles from the property and offers extensive shopping and recreational facilities and sought after Grammar Schools.
