Plot 4 Mays Wharf

Eastgate, Bourne, PE10 9JY

Nearing completion a small site of only 11 town house properties built in a mews style of various designs within easy walking distance of town centre and with a wonderful outlook over the Bourne Eau. Built to a high specification, the architect has created an attractive street sense with different roof levels and elevations with both dormer windows and roof lights to the front. This is mirrored on the rear elevations with some having Juliette Balconies and picture windows with each having a paved patio area behind a glass balustrade to make the most of the river view. As any discerning purchaser would expect, the specification is high with gas central heating and, depending on stage of build, a personnel choice in floor coverings, tiling and paint colours, all within an excellent SAP energy rating of 86b.

Number 4 is one of the larger design properties offering some 1608 sqft of living accommodation over 3 floors which are flooded with light, with French doors and Juliette balcony's. In brief the accommodation comprises reception hall with large under stairs storage cupboard, utility room and separate cloakroom. Lovely open plan living kitchen diner with built in appliances and twin set of French doors giving access to the paved patio area with Bourne Eau beyond. To the first floor a further useful storage cupboard, family bathroom, bedroom with dressing room and Juliette balcony, 2 further good size bedrooms. To the top floor there is further walk in storage (restricted head height) and the lovely master suite with further Juliet balcony and ensuite shower room.
