

**Lion Hill Cottage,
Station Road, Claverdon, Warwickshire, CV35 8PE**

£1,250,000

This delightful detached residence is situated to the edge of the much sought-after village of Claverdon. It is the first time the property has come to the open market in over 40 years and during that time, it has been an excellent family home, perfect for raising children and more recently, grandchildren. The well laid out accommodation briefly comprises; five bedrooms, three bathrooms, four reception rooms (with the large study offering a versatile space for homeworking, media room, children's play room or, with minimal investment (STPP), a self-contained annexe), kitchen with walk-in pantry, utility room, downstairs WC, rear porch, and ample storage space. The property further benefits from substantial gardens, a triple garage with solar panels and electric car charging point, several garden store areas, and driveway parking. There is also a paddock, totalling some 2.15 acres, which is accessed from the rear of the driveway and is currently being grazed by a local sheep farmer.

Claverdon is a popular and picturesque village with such amenities as a community store, doctors' surgery, fine parish church, and multiple public houses. There is a local primary school (rated "Good" by Ofsted) and leisure facilities are available at The Ardencote Country Club. The nearby railway station ("Claverdon") offers regular trains to Warwick, Leamington Spa, Stratford-upon-Avon, Solihull and Birmingham City Centre. The village is also within easy access of the M40 (J15) motorway, which, in turn, provides fast links to the M5, M6 and M42 motorways. In addition, the neighbouring towns of Warwick, Leamington Spa and Stratford-upon-Avon provide a range of shopping and recreational facilities, as well as a wide choice of state, independent and grammar schools.

The property is set back from the road behind a tarmac area that leads to a diamond brace timber gate, which opens onto a gravelled driveway that provides ample parking and gives access to the triple garage. There is a lawned foregarden with a specimen yew tree, flowering cherry and prunus trees. A brick paved pathway leads to the rear porch as well as the oak front door, with canopy storm porch above, which opens into:
