

**Riverside,
Stratford Road, Wootton Waven, Warwickshire, B95 6BY**

Offers In The Region Of £870,000

Located in the much sought-after village of Wootton Wawen, this detached residence is tucked away from the road and situated on the riverbank so not only does it offer picturesque views from the decking and balcony areas, but also provides the unique opportunity of owning a section of the tranquil River Alne with valuable fishing rights.

In brief, the well-laid out accommodation comprises; four bedrooms, two bathrooms, three reception rooms, spacious breakfast kitchen, utility room, and downstairs WC. The property further benefits from being set within an extensive plot of 2/3's of an acre or thereabouts, which encompasses a good-sized lawned garden, driveway parking, and separate double garage that presents the potential for conversion, subject to the necessary planning permissions.

Wootton Wawen has a great deal to offer with a local shop, post office, primary school, two excellent pubs, village hall, and renowned Anglo-Saxon parish church. The nearby railway station ("Wootton Wawen") provides regular trains to Stratford-upon-Avon and Birmingham City Centre. There is also a bus route that runs to Stratford-upon-Avon, Shirley and Solihull Town Centre. It is conveniently located for major road and rail networks, with the M40 (J16) and M42 (J3A) motorways located just 5 miles and 7 miles, respectively. The village lies approximately 1.5 miles South of the popular and picturesque former market town of Henley-in-Arden, with its wide range of shopping and recreational facilities, and further amenities to include; dentist, medical centre, and secondary school.

This property is set well back from the main road, on a private road, which leads to two 5-bar gates that open onto a large block paved driveway providing parking for multiple vehicles and giving access to the double garage. To the side of the driveway, there is pedestrian access to the house and gardens. The part glazed timber front door, with matching side panels, opens into:
