372 & 374 Stratford Road,
Shirley, Solihull, B90 4AQ
£650,000

We are instructed to seek a new investor for these premises briefly comprising; two shops, offices, duplex apartment, rear parking and garage. They have a current rent roll of £18,500 per annum for Number 372, £14,000 per annum for the shop at Number 374 and £7,800 per annum (£650 per calendar month) for the duplex apartment above Number 374, giving a total rental income of £40,300 per annum, although it is to be noted that the rents for the commercial units have not be reviewed for many years.

The commercial leases are on FR&I terms (save the main structure and roof) and all three tenants have been in occupation for a considerable number of years.

Within the Freehold title, there is excellent off-road parking to the front of both shops and further parking is available at the rear, being accessed between Numbers 384 and 386, which also serves other commercial units and two residential dwellings beyond. There is also a single garage that adjoins the parking area.

The sought-after town of Shirley is known for its excellent range of amenities and convenient transport links. The High Street boasts a blend of major retailers, independent stores and a wide selection of restaurants and pubs. There are plenty of efficient bus services that connect Shirley to Solihull and Birmingham City Centre, while the nearby railway station at Shirley provides regular trains to Birmingham, Henley-in-Arden, Kidderminster and Stratford-upon-Avon. The area is also easily accessible via the M42, with Birmingham International Airport (BHX) and the National Exhibition Centre (NEC) being within an approximate 20-minute drive.
