This property with 22.27 acres will be offered for sale by public auction (subject to prior sale, reserve and conditions) at 6:30pm on Tuesday 17th June 2025 at The View, Hill Farm Marina, Stratford Road, Wootton Wawen, Warwickshire, B95 6DE (///glance.dance.rival).

Introduction

Smallholdings with residential property, farm buildings, land and woodland only rarely come onto the open market in this area. Church Meadows gives potential purchasers a unique opportunity to acquire a property with all four features, set in idyllic, traditional Worcestershire countryside, quietly situated but within easy driving distance of local centres such as Worcester, Birmingham, Redditch, Alcester and Stratford upon Avon, together with the national motorway network.

The property has been a much-loved family home for many years and offers the purchaser(s) the opportunity to take the property forward, developing it to their own requirements for livestock and perhaps a sustainable lifestyle for the future.?

The auctioneers commend early viewing to fully appreciate the scope of the property.

THE LAND

The land extends in total to some 22.27 acres (9.01 ha), in three distinct blocks, with the farmhouse, farm buildings, lake and immediate paddocks extending to approximately 4.34 acres (1.76 ha). 5.17 acres (2.09 ha) of Poplar woodland and 12.75 acres (5.15 ha) of old established pastureland lying in three enclosures.

The land is eminently suitable for livestock grazing and, as the property was for many years run as a poultry enterprise, there is scope for the buildings to be either replaced or refurbished to bring them up to modern standards, perhaps running a poultry unit from the property.
