38.53 acres will be offered for sale in two lots (Lot A: 19.58 acres and Lot B: 18.95 acres) by public auction (subject to prior sale, reserve and conditions) at 6:30pm on Tuesday 18th November 2025 at The View, Hill Farm Marina, Stratford Road, Wootton Wawen, Warwickshire, B95 6DE (///glance.dance.rival).

Introduction

Being offered for sale in two lots, this pastureland, totalling 38.53 acres, is naturally divided into two blocks by the water course that runs from North to South. For those who choose to walk all of the land and use the public footpaths that run across, it is to be noted that the lower lying areas towards the water course and canal to the Southern boundary can lie very wet (some parts in 'Flood Zone 3') in the winter months.

Both lots have good gated access from Rookery Lane and 'Lot B' has a small open-fronted tractor/machinery store to its North-Eastern boundary.

Situated midway between Preston Bagot and Lowsonford, these two lots are situated in a quiet rural corner of Warwickshire, all the while only being a short drive from Claverdon (2.6 miles), Henley-in-Arden (3.1 miles) and Lapworth (3.7 miles).

GENERAL INFORMATION

It should be noted that 'Lot B' will be offered to the successful purchaser of 'Lot A' at a fixed price of £190,000, with a separate contract to be signed and an additional administration fee of £950 (plus VAT) to be paid. If this option is not taken up, then 'Lot B' will be offered as a stand-alone lot.

Services

Prospective purchasers should make their own enquiries with the appropriate utility companies for the verification as to the availability (or otherwise) of services.

required to sign the auction contract and pay a 10% deposit (minimum of £5,000) to the vendor's solicitors, together with an administration fee of £950 (plus VAT) to the auctioneers, which is to be paid whether the property is sold in the room on the night or prior to/post auction.

Agent's Note

The guide price offers an indication of the price below which the vendor is not willing to sell. It is not necessarily the exact final sale price and is subject to change prior to and up until the day of the auction. Any change in the guide price will reflect a change in the reserve (a figure below which the auctioneer will not be able to sell). The reserve can be expected to be set within the guide range or not more than 10% above a single figure guide (RICS Common Auction Conditions 7th Edition).
