The farmhouse is of considerable charm and character with many of its original features still evident including open fireplaces and beamed ceilings. The property is in need of some modernisation and upgrading but would make a superb family home once finished with income from the two cottages. The property benefits from a good sized private rear garden and parking for 4/5 vehicles.

THE FARMHOUSE

The generous living quarters need some general updating but provides a character-filled, comfortable family home. The front door leads to the entry hall, which houses the two reception rooms, one being the dining room and the other the sitting room, both generous in size and include inglenook fireplaces. The sitting room flows nicely into the kitchen which offers a good range of wooden higher and lower units, electric Cookmaster stove with extractor above and inset ceramic sink. There is access to the garden from a rear porch area and utility room with space for white goods and inset stainless steel sink. Downstairs WC and shower enclosure

On the first floor there are 5 spacious bedrooms with the principle benefitting from built in wardrobes and en-suite with WC, sink and shower enclosure. Bedroom 2 also includes a en-suite shower room. Also on this floor is the family bathroom which includes a WC, sink and side panel bath with shower attachment above.

OUTSIDE

To the back is a good-sized, level, secluded, and south-facing garden that is a 'blank canvas' but offers a pleasant family garden to match the home. To the front is parking for 3/4 cars in the shared yard and a pretty front garden with gated access and path leading to the open porch and front door.
