SITUATION

1 Elm Terrace is situated in one of North Devon's most prestigious coastal communities, enjoying direct views over Instow and towards the Torridge estuary and out to sea. The property enjoys wonderful sunsets as well as the early morning sunlight reflecting off the pretty former fishing cottages in Appledore, which sits on the opposite side of the estuary. Instow is highly desirable with an excellent range of amenities and leisure pursuits. There is a beautiful sandy beach and south west coast path within a 5 minute walk and the North Devon yacht club 10 minutes walk away, where boats can be launched and moorings are understood to be available. Popular amenities include Johns of Instow which combines a delicatessen, convenience store, post office and café under one roof. The Commodore Hotel and restaurant, which is open to non-residents, and a variety of pubs and restaurants including The Instow Arms, and The Boat House which is an award winning seafood restaurant. The nearby Tarka Trail is a former railway line route which runs from Braunton to Meeth, covering about 30 miles with a series of connected footpaths, bridleways and cycle paths which pass through some of North Devon's most beautiful scenery. There is also a good range of transport opportunities via regular bus routes and the ferry to Appledore across the estuary. The port and market town of Bideford is 3 ½ miles and offers a wider range of amenities. The Regional centre of Barnstaple is 6 ½ miles and offers the area's main business, commercial, leisure and shopping venues. The Atlantic Highway is 1 ½ miles from the property which joins to North Devon Link Road at Barnstaple. This road then leads through to Junction 27 of the M5 Motorway in about 45 minutes. There is also access there to Tiverton Parkway where London can be reached in just over 2 hours.
