### DESCRIPTION

A fantastic opportunity to purchase a building plot of approximately 3 acres positioned with few near neighbours with full planning granted for an impressive and contemporary 5 bedroom (3 ensuite) detached residence of approximately 330sq meters with large open plan living space, snug, home office, integral garage and a fabulous large balcony to the rear taking full advantage of the stunning views.

Planning was granted on the 21st October 2021 under Torridge planning reference 1/1007/2021/FUL . All the appropriate documentation can be reviewed on the Torridge District Council website using the planning reference provided above for access.

Externally there is independent access from the council owned lane and ample

parking to the front. The land included which is slightly sloping and has been used for horses for a long period of time is showed on the accompanying Promap plan.

This is a very unique proposal and could be suited for anyone looking to create their very own equestrian property/facility, small holding etc.

### SERVICES

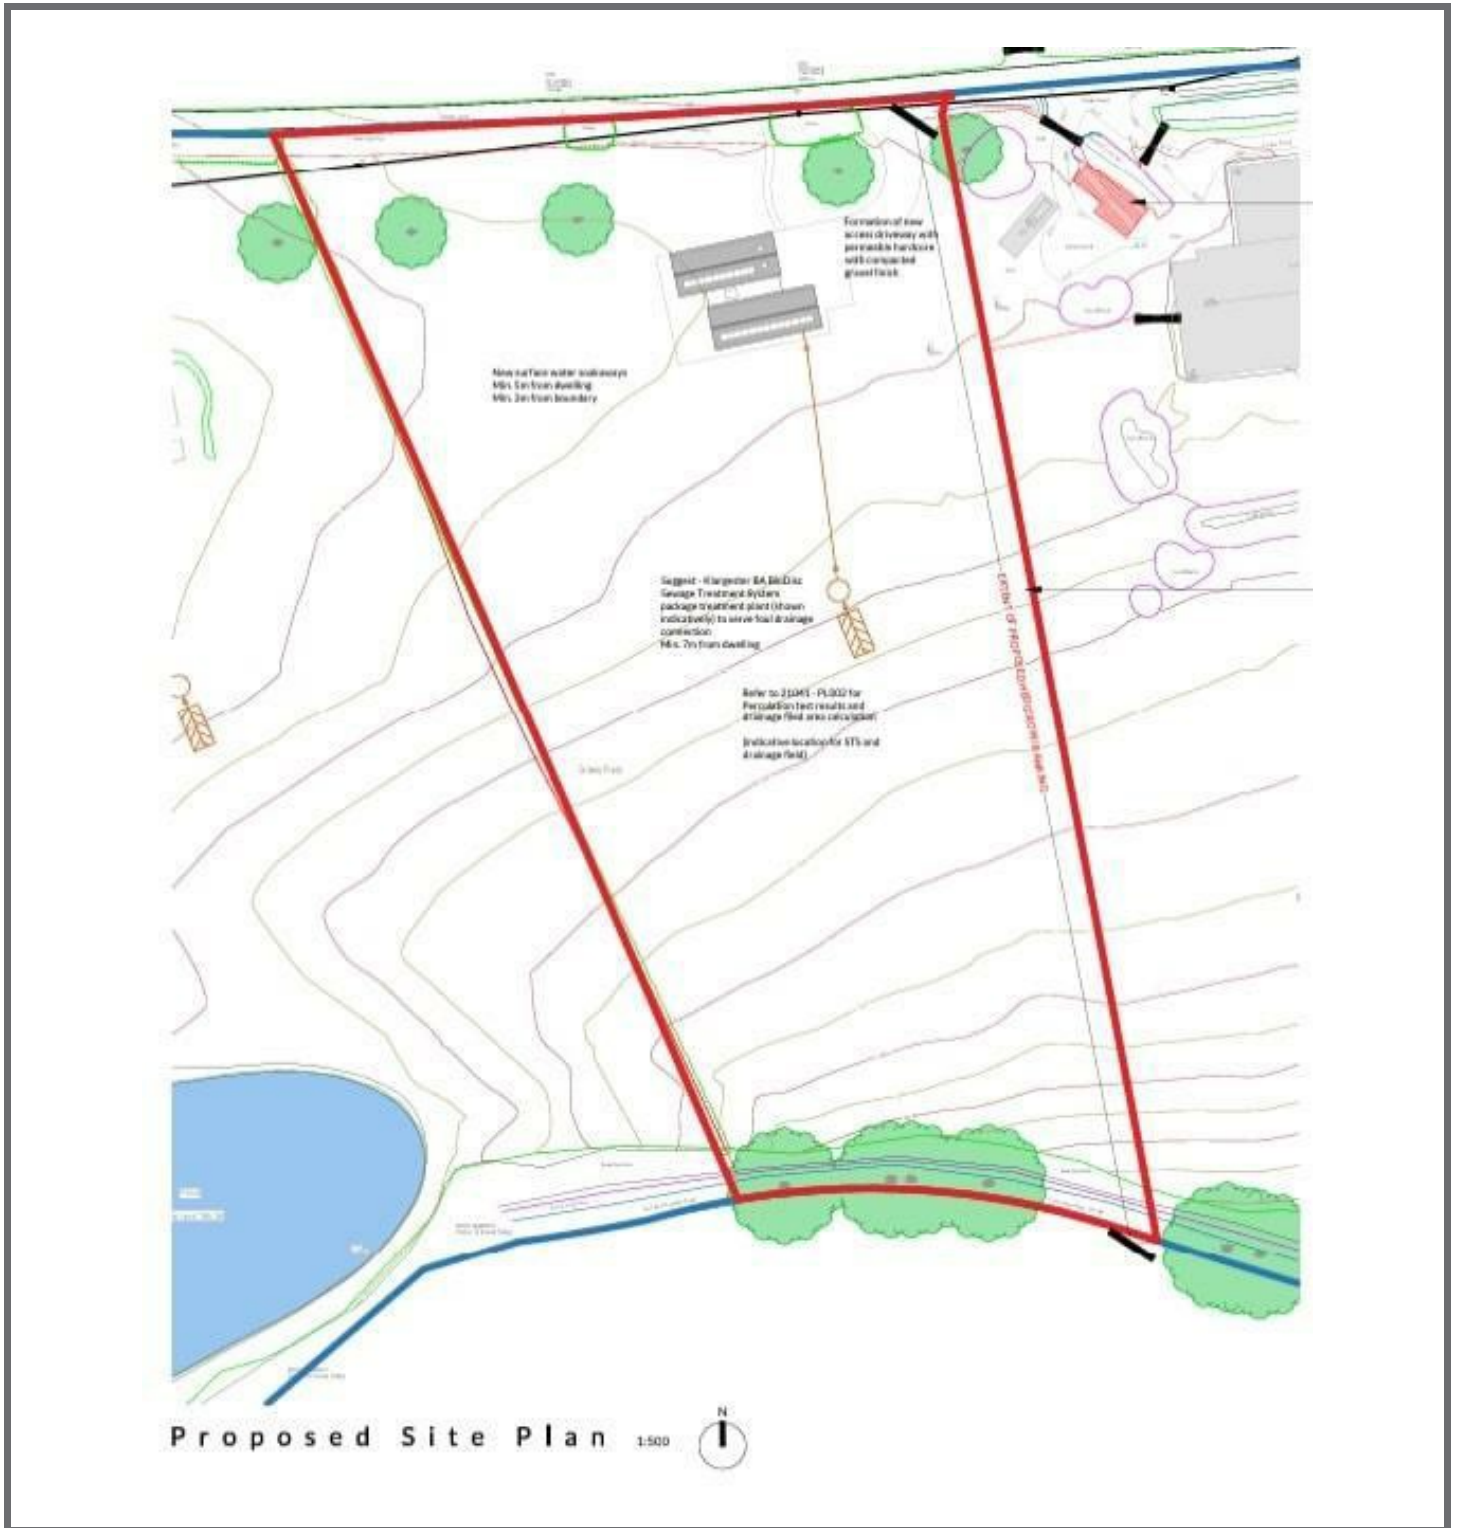

We understand the private water supply is located nearby, private drainage would need to be installed and mains electric is not allocated near the site. This would certainly suit any purchaser looking to live 'Off grid'.
