DESCRIPTION

This is a wonderful opportunity to purchase an individual detached three-bedroom chalet bungalow with fabulous gardens extending to around 1.3 acres situated within the heart of this traditional Devon village. We understand the property was built circa 1998 and this will be the first time that it has entered the market for sale. The accommodation is well-presented, spacious and arranged over two storeys yet offers the opportunity to extend further if desired. Externally the house is well set back from the road and benefits from ample driveway parking, double garage, car port/workshop and pole barn. We do envisage that there could be potential here for development in the garden subject to necessary planning permission.

ACCOMMODATION

Front door leads to entrance hall with stairs to first floor, bathroom which includes bath, WC and sink and two double bedrooms. To the rear of the property is the kitchen/diner which includes a range of fitted units, oven with electric hob, inset sink, oil-fired Rayburn, space for dining table and French doors leading to the garden. Access to the front sitting room with electric fireplace and French doors to driveway and garden. Also accessed from the kitchen is the utility room with WC, built-in units, inset sink, space for white goods and access to the front, garage and rear garden.

First floor landing area with access to a the light, spacious double bedroom with two Velux windows. Shower room with shower cubicle, WC and sink and a hobby/office room with Velux window.

OUTSIDE

The gardens and grounds to the property must be seen to be appreciated. To the front is a long driveway with well-stocked border and front garden area with an assortment of plants and shrubs. There is parking for around five vehicles, turning area, double garage with up and over door, carport/workshop and access to the rear garden.

The rear garden is a real rarity for this location with over an acre of sweeping lawns and bordered by established shrubs and trees giving the property complete privacy. There is a patio terrace to the rear of the property for seating, vegetable garden, potting shed, pole barn and single garden shed.
