DESCRIPTION

A truly exceptional Arts and Crafts period house set in a glorious position, offering a huge degree of privacy and boasting fine views over the River Torridge and surrounding countryside. This stunning home is believed to date back to approximately 1911, and has retained a wealth of character features, externally and internally combined with tasteful modern refinements. The accommodation is extremely spacious and is immaculately presented. In terms of location, the property is almost hidden and is approached by a sweeping drive which leads to ample parking, double garage, workshop and the delightful gardens which surround the house and include large areas of lawn, many mature trees, areas for seating and a heated swimming pool. In total the property sits within approximately 2.7 acres of garden and woodland which is a haven for wildlife and also gives the property a true sense of privacy. A real rare find in this location. For any boat enthusiasts, detached from the property but within a 5-minute walk is a private 'waterside garden' with 4 or 5 moorings. Perfect for those seeking a place for a boat, for easy access to the water or simply having a picnic and enjoying the views.

ACCOMMODATION

The front door leads to the light and spacious reception hall, with glimpses of the views to the River Torridge on arrival. The reception hall includes a cupboard for coats, boots etc, WC and leads to its principal rooms, one of the most notable being the sitting room which benefits from a large window enjoying the views, original oak beams, wood burner and French doors leading to the garden terrace. The dining room is a large and versatile room which is perfect for entertaining and benefits from stone-surround fireplace with wood burner and views of the garden and swimming pool. From here is access to a study/office. The kitchen /breakfast room offers a range of bespoke fitted wooden units with integrated appliances, central island, gas Rangemaster oven, walk-in larder and French doors to the garden. This move nicely onto the utility room which includes built-in units, worktop space, built-in fridge/freezer, space for white goods, inset sink and door to the garden.

The first floor boasts a large landing with superb views of the River Torridge and beyond. From here you have access to the 5 bedrooms, family bathroom and shower room. All the bedrooms enjoy views of either the river or the gardens/woodland. Three bedrooms benefit from built-in wardrobes and one includes an en-suite shower.

OUTSIDE

The property is approached by a stone pillared entrance with ample parking, detached double garage and attached workshop/store. On arrival you are immediately struck by the garden in front of you which includes a terrace with an assortment of plants, shrubs, trees and grasses. Steps lead down to the enclosed lawn, patio and swimming pool area. This is a wonderful private space and perfect for al fresco dining, relaxing by the pool, family games etc. The pool is heated, allowing full use all year round. From here there is access to part of the woodland, garden sheds and 'pool room'. To the top of the garden is a log store, greenhouse and raised beds. The garden and woodland continue around the house with a covered brick paved terrace leading back into the Sitting room, level area of lawn and views of the woodland. To the south-facing side of the house is a large raised patio terrace with river views and below is a extensive area of level lawn and access into part of the woodland.

The woodland is mainly left naturally wild and most parts are accessible from the property itself, however there is separate access to the North side of the woodland via a 5-bar gate which is located on Durrant Lane.

The 'Waterside Garden' which is located within Lower Cleave is only a 5-minute walk (via pedestrian path on Durrant Lane) or a 5-minute drive from the property.
