History & Overview

The property is steeped in history and dates back approximately 200 years. The ground floor was originally used as access to the stables of the former Green Dragon Inn. We are informed by the owner that there is still a sign stating Green Dragon on the front of the property that is covered up at present to preserve it. The upstairs accommodation was used for the grooms. During the early 1900's the property was owned by A lady called Mrs Rose and was used as a sweet shop. In the 1970's the property was used as a bag shop. The current owners have been in residence since 1998 and the property became a bookbinders and printers until 2023. There is on street parking available nearby and the house is easily accessible to shops, dentists, schools and doctors.
