STEPHENSON BROWNE

This beautiful home occupies arguably one of the best positions within this area. This stunning detached property has been extensively refurbished inside and out to an exceptional standard and its character and charm offer a delightful living experience.

Built in 1997, a valuable asset to this property lies in the extensive parking available for multiple cars, afforded by the large driveway. Furthermore, the prime position of the property and the secluded nature of the gardens enhance the sense of privacy enjoyed by this elegant home.

The well designed kitchen dining room which includes pull out larder cupboards and granite worktops, provides space to entertain and relax.

French doors open from the kitchen to the rear south facing garden which has been landscaped for ease of maintenance and is well stocked with specimen flowering plants and bushes and a number of fruit trees. A large patio provides an area for relaxing and entertaining, with exterior lighting and for convenience a tap and electric sockets are provided.

The sitting room is located to the front of the house, overlooking the front garden, providing a serene and private space to relax. Stylish plantation shutters enhance the bay window and are fitted throughout the home.

The ground floor benefits from a convenient cloakroom, leading to a storage cupboard and on the first floor there is a well appointed family bathroom and useful airing cupboard.

With four spacious bedrooms, three of which feature fitted wardrobes, including a principal suite complete with en-suite bathroom, this home should suit a wide variety of buyers.

The garage has an electrically operated up and over door, with multiple electrical sockets and a further access door from the garden.

In addition to its delightful interior, this property is located just steps away from lovely woodland and river walks, offering residents the opportunity to explore the natural beauty of the area.

Viewing highly recommend.
